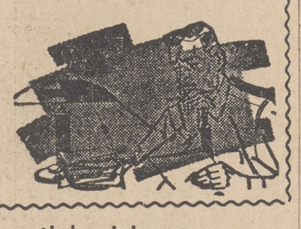
Lemon Grove Chamber Sets Dec. 4 For Broadway Improvement Meeting

The DIMMER VIEW

by Max Goodwin



Incorporation Possible Here

Lemon Grove turned down an invitation to become an incorporated community twice. Spring Valley experienced an urging once but didn't bring it to a vote.

Both communities will have the opportunity again — but it will be as part of a Greater Grossmont area if the current proponents have their way. Proponents are members of the Greater Grossmont Area Association, Inc.

The plan for incorporating all of the area which they call "the greater Grossmont area," includes the cities of La Mesa and El Cajon, plus all of the unincorporated areas of Lemon Grove, Spring Valley, Casa de Oro, Santee, Lakeside, Alpine, Dehesa and Jamul-Las Flores.

The idea was revealed at a meeting November 18 at Carlton Oaks Country club. The meeting was attended by 77 persons involved in local government — from school districts, water districts and city officers.

The group heard a position paper which represented two years of study. The Greater Grossmont Area Association is made up of many of the concerned leaders of the area. The spokesman was Paul T. Carter, an insurance executive who voiced some of the concerns of the group. He commented on the cost of duplicated governmental services; the uncontrolled growth; the changing socio-economic situation, and the need for all residents of the area to seek a common voice and identification.

An area incorporation would eliminate the cities of La Mesa and El Cajon, of course, and there would be some displaced city officials and city employees. But a greater government would ride herd over the quarter-million residents of the 300 square mile area. The area would become one big city — or as one person in the audience suggested — one county, separate from San Diego.

Dr. Harold Hughes, president emeritus of Grossmont college, said privately, when asked by what identification the super-community would be known, suggested "Glocca Morra" —the "Finian's Rainbow" fantasy-land where love and tranquility abound.

Dr. Hughes, together with Carter, Dr. David Feldman, and Steve Horrell, make up the executive officers of GGAA. Carter is president; Feldman, a market analyst is vice president; Hughes is secretary, and Horrell, treasurer.

Directors include such well-known area leaders as Richard Baker, a publisher; Richard Brown, Nat Eggert, Mike Fletcher, Earl Gagosian, Clay Gregan, Superior Court Judge Gilbert Harelson, Dr. William Herrick, J. A. Kitzman, W. W. Mast. Antonia Papietro, Hal Rakowski, Dr. Lowell Smith, Dr. Robe ert Siegal, James Snapp and Richard Tuthill.

The group will not sponsor incorporation of the area but will provide the machinery for such a move if that type of government is desired. More specifically aims of the Association are:

1. To seek ways to develop area wide cooperation to solve common problems such as flood control, school financing, tax relief and air pollution.

2. To inform and educate state, county and federal legislative and administrative bodies of the problems and needs of the area.

3. To support and help in efforts to find and develop leaders throughout the area.

4. To seek adequate representation for the area at the state, county and federal level.

5. To provide resources, people and talents for area wide programs and projects.

6. To support and promote the expansion of recreational and cultural facilities throughout the area.

7. To publicize the economic, recreational and cultural attractions of the area.

8. To support efforts toward a more equitable distribution of county, state and federal tax funds for the area.

During the meeting Wednesday, at which a "position paper" was read, Carter pointed out that residents of the Greater Grossmont area have but one supervisor and one assemblyman — and that he isn't the same one to all parts of the area. This, and the myriad smaller districts, make the east county a "patchwork quilt" of local government entities, Carter said.

While GGAA, Inc. is not sponsoring incorporation, the problem of non-incorportaion must be viewed in light of the continuing growth by which the area will have a population of 500,000 persons in the next 20 years, Carter said.

Solutions must be approached step-by-step, he added.

GGAA, Inc., will hold meetings once a month and representatives of local government who attend become "members of the board", Carter said.

Each community will have a chance to vote on becoming a part of the larger incorporation, it was said. Such decisions must rest with the residents of each community, he noted.

Carter asked for representation from every community at future meetings.

No firm program has been established, the committee said. But as areas become solidly occupied, adjoining communities will find they have a common problem, it was noted.

No solutions appeared evident at the Wednesday meeting but "this is where we start", Carter said

This, too, is where the communities of Lemon Grove and Spring Valley should start.

First, intelligent sincere representatives should be named to take part in the meetings.

Secondly, each community should decide within meetings in their own communities what position it wants to take when the time for decision comes.

Stolen Office Machines Bring Technician's Arrest

SAN DIEGO (CNA) — A Spring Valley man, who worked as a technician for an El Cajon dentist, was sentenced to a year in the custody of the sheriff in Superior Court on Wednesday for receiving stolen property.

Edward Lloyd Maxey, 37, of 624 Broadview st., Spring Valley, was arrested June 17 and charged with trying to sell two accounting machines, worth $4,000 each, for a total of $3,600. The machines were part of $24,000 of equipment stolen from a cable television firm in Irvine.

According to police records, Maxey told an accountant, whom he knew through his dentist employer, that the machines had been used by a Los Angeles physician who wanted to get rid of them.

The accountant had the machines checked for condition. In them, it is stated, were the marks of the television cable

Board OK's $1,000 For Cash Fund

The Lemon Grove School District Board of Trustees met Monday night and approved a revolving cash fund, expelled a student, and heard reports on pupil transportation, human relations courses, and the Angelus Heights rezoning developments.

The revolving cash fund, which will be put in the bank under the custody of Paul Reynolds, will allow money to be used when it is needed, avoiding the time required to process warrants through county offices.

Account At $1,000

The account will be in the amount of $1,000. Previously, the board's petty cash fund was kept at $200, which made it necessary to replenish the fund as often as three times each month. The Education Code allows for a fund of up to 2% of the district's total expenditures. The $1,000 is well within the limit.

Dr. Robert Sutton reported to the board about human relations courses offered through the University of California Extension. Courses planned include one in Individualizing Instruction and a racial wareness workshop.

Ilse Hanning, Principal of Golden Avenue School, made a note to the board on the success of individualizing instruction at Golden Avenue. She said that it provided a challenge to the pupils, as well as to teachers.

Racial Awareness

Robert Sutton told the board, in regards to the racial awareness workshop, that the program offers an opportunity for teachers to associate and work with members of minority races, giving them more insight into problems.

The board discussed the so-called Wakefield Act, which has to do with bussing of pupils. The bill requires that no governing board shall require any student to be transported for any purpose without written consent of parents or guardian.

Policy Re-affirmed

The board re-affirmed the present policy which allows all students to be transported to school, but does not require any student ride a bus.

The board held executive session at the meeting, and an eighth grade student at Lemon Grove Jr. High was expelled.

According to Superintendent Byron Netzley, the student was expelled for habitual truancy, and behavior problems. He also noted that the student was enrolled at Palm Junior High in a special program.

Angelus Heights

In reports on the Angelus Heights rezoning, the board was told about a San Diego City ordinance which calls for dedication of any school site deemed necessary. The Lemon Grove District does include parts of San Diego City, which means the ordinance would apply to property in the Lemon Grove district which is also in San Diego.

In other subdivision activities, the board disclosed that a 50-unit apartment complex is nearing completion in the district, which will mean that more students will be enrolled in the District when rentals commence.

30 Students Expected

About thirty students are expected to come from the complex when it is completed,

GETTING WARM — Barbara Steinke and John Campbell, members of the Heartland Youth For Decency, change the numbers on the thermometer so it can accommodate more signatures.
The thermometer, which is located in front of the American Legion Hall, in La Mesa, represents the number of signaures on petitions and letters asking for better treatment of POW's in North Vietnam obtained by members of HFFD.
The two youngsters in the photo are currently in the lead for the most signatures obtained. The final winners in the contest will receive a $25 savings bond donated by San Diego Trust and Savings.
HYFD announces that its speakers bureau is available to any organization upon request. A member of the speakers bureau will give a 20-minute presentation with slides on the plight of American POW's.
For information, petitions, or form letters, contact Mrs. Eleanor Lasiter, 463-0685, or write HYFD at P.O. Box 322, La Mesa, 92041. (Photo by Dale Evers)

Otay District Hikes Rate On Water Bills

Water bills from the Otay Municipal Water District jumped an average of 35 cents last week, according to Alex Struthers, general manager of the district.

Struthers noted that wholesale water rates were the cause for the increase in water bills. He said that the price of wholesale water has increased 9.7%, while bills in the district have increased by about 8%.

Some water users in the area have complained about not being notified of the increase in the water rate. Struthers said that it wouldn't make economic sense to spend the money to notify customers of a rate hike as slight as 35 cents.

The California Water Code makes no requirement that water districts must notify customers of rate increases, Struthers added.

LG Fire Report

The Lemon Grove Fire Department, for the week of Nov. 16-23 answered five fire calls.

On Nov. 21 at 2:55 p.m., firemen went to 7839 Montana st., a house occupied by George Halbert. A faulty wall heater caused damage to the living room, amounting to approximately $90.

Nov. 20, at 7:03 p.m. and firemen were called to Tilten Wiring near a fuel pump on a

Plenty of Brush Left For Another Fire Chief Fred Dixon Says

The determination to return the back country to its "natural state" following the October conflagration is not exactly what Lemon Grove Assistant Fire Chief Fred Dixon has in mind.

"You saw more than 200,000 acres burn and there's plenty more brush that will burn when weather conditions are right," he told members of the L.G. Lions Club Thursday at the club's regular meeting.

He suggested that taxpayers should not be misguided by the green-belt concept. "There's no water to keep these areas green after the winter rains," he noted. "When the grass is dry and a fire starts in the brush there is no reason to believe that it will not communicate to other areas rapidly through the dry grass," he said. "Then you have the disaster all over again."

"Water is the only solution to the back-country fire hazard problem," he said. That solution is not very near, he admitted.

During the catastrophe it was decided that 15 fires were of an incendiary nature. One person is accused of setting 9 of them, he said.

"Do you know what the suspect said? Now think about this answer. He said 'Black is beautiful. Green sucks blood'."

Dixon noted that communities with adequate fire-fighting facilities are "paying the bill" for those communities having little or none.

Color slides of the fire were shown. Dixon is president of the Lions group.

Two Arrested In Spring Valley

Two San Diego youths were arrested in Spring Valley last week on charges of possession of a dagger, brass knuckles, marijuana, and dangerous drugs.

John Rinder, 18, and Paul Woods, 16, were taken into custody November 18 at 11:15 p.m. after the car in which they were riding was stopped at Bancroft dr. on Highway 94.

According to the Sheriff's Department report, the car was stopped for speeding after being clocked at speeds up to 80 m.p.h. When checking the vehicle for registration, a deputy noticed the dagger and brass knuckles on the floorboard.

A subsequent search also revealed two hand-rolled cigarettes containing marijuana, four red pills, and a "roach" clip.

Christmas Contest Ready For Local Homeowners

A public meeting of Broadway property owners and interested businessmen has been called by the Lemon Grove Chamber of Commerce for Friday, December 4, at 7 p.m. at the L. G. Junior High school.

"It will be the first local step in the improvement of Broadway," Bob Russell, chamber president, told his board of directors at the group's regular meeting Thursday at the Embers.

Object of the meeting is to bring owners-operators into agreement on one of two improvement plans for Broadway in 1971 when the thoroughfare will be reconstructed between Imperial and Kempf.

Landscaped Islands

The Chamber has endorsed a plan in which center islands, to be installed in any event, will be landscaped.

The Chamber has also endorsed a plan by which the privately owned area, now used for parking, will be brought into a maintenance district for the purpose of keeping it blacktopped, striped, and clean. Ornamental lights, which were installed as part of a district procedure several years ago when Bob Vaught was chamber president, will be moved to center islands as part of the chamber plan. The standards have caused many complaints as shoppers back into the concrete bases since the lights were installed.

Representatives of the County Road Engineers Department will be at the Dec. 4 meeting, Russell said.

Christmas Contest

Another item holding the board's interest was the Christmas Decorating contest sponsored jointly by the chamber and the S.D. Gas and Electric Co. each year.

Four trophies will be given to the homeowners whose decorations are judged best by a committee of chamber directors. Al Woods and Jim Dorman were named co-chairmen of the project.

Joyce Foss, chamber secretary, said that any resident may enter the contest by calling her at 469-9641, or stopping at the chamber office at 3415 Imperial ave. No formal application is necessary, she said. It is required that the office be informed so that judges may visit the display, she pointed out.

A guest at the meeting Thursday was Sheriff's Deputy Dave Pugh, one of the two permanent patrolmen of the Lemon Grove area. He came to report to the chamber that "the wrong people read the item" carried in this newspaper the week before regarding widespread purse-filching in local markets. He said that complaints have skyrocketed since the warning was issued. Two black females in the 20-22 age range, one carrying an infant and one with an Afro hairstyle have been identified as suspects, he said. One suspect asks a question of the shoppers while the other quickly rifles the shopper's purse which she has left in shopping cart. He cited two instances earlier in the week where $24 and $240 were the losses listed in the complaints.

Possible Replacement

The board also considered encouraging a replacement for Supervisor Harry Scheidle in the event he is judged guilty of charges in a Grand Jury indictment and forced to resign. "This is not to convict Mr. Scheidle of charges not yet proven," Russell said. "But our government is only through our supervisor and our interest in the outcome of the indictment should be strong."

The board agreed to support the Lemon Grove Woman's Club in its application for the renewal of its dance license which expires at the year's end. It is used by various square-dance groups. At least one nearby neighbor is said to be a chronic complainant regarding the license. Mrs. Mary Vlach was spokesman for the Woman's Club.

The board also moved the next metting date ahead one week to Dec. 17 because of the conflict with Christmas holidays.

Christmas decoration contestants may apply to the office of this newspaper at 469-0101 in the event the chamber office is not open at the time of the intended application.

The newspaper office is at 7834 Lester ave., in Lemon Grove.

Morey Right

Welfare Costs To Rise Again

SAN DIEGO (CNA) — In the latest of a series of "welfare costs are going up" letters, Chief Administrative Officer Fred J. Morey now predicts a shortage of over $9 million before July 1.

Morey told the County Board of Supervisors that the direct county cost on the property tax will be $1,765,000.

The rest of the money will come from increased federal and state formula payments to the county.

The county budgeted $74,245,554 for the various welfare categories this fiscal year.

Morey said the county has 14,195 more children in the Aid to Families with Dependent Children (AFDC) than were expected at budget time. As of now, this has exceeded estimates by $1,307.288. The total for the year is expected to be $6,376,000. This was the family group caseload.

In another category ,AFDC-Unemployed Parent, the extra cost projection is $3,207,000. General Relief, a total county cost, is expected to run $213,000 higher than projected.

Local Residents Riled Over 1970 Property Taxes

Nearly fifty people from Edgewater Estates in Spring Valley headed by Mrs. Joseph Sutton, of 10335 Lime Tree ln., crowded into the El Cajon office of the County Tax Assessor, November 19 to protest a big boost in their current taxes.

Mrs. Sutton said her own taxes had gone up from $394 last year to $738 this year.

Phillip H. Minnix, supervising appraiser, who spoke to the Edgewater residents, told them there would be re-appraisals next year.

Mrs. Sutton said that in Edgewater's area of 163, many people are puzzled over some of the assessments. In some cases three-bedroom homes are assessed higher than those with four bedrooms.

She said many of the homes are ten years old. She also said that the County has promised action for next year, but nothing for the current year.

Mrs. Sutton noted that petitions are being assembled and are to be mailed to all officials regarding the tax situation. She said the raising of taxes is getting to the point where we need "a tax revolt".

Salvation Army Pots Ready Friday

Major Robert Yardley, city commander for the Salvation Army announced a special ceremony Friday, at 9:30 a.m. at Horton Plaza in downtown San Diego, marking the campaign "kick-off" for the annual traditional Christmas Kettle Appeal.

Deputy Mayor Allen Hitch will present a proclamation setting aside the four-week period from Thanksgiving to Christmas as the 1970 Salvation Army Christmas Appeal Month. Henry R. Boney, chairman of the County Board of Supervisors, will present a proclamation from the county. The ceremony will be highlighted by the presence of the Marine Corps Recruit Depot Band, directed by Captain A. R. Bentley.

The kettles will be manned for the one-month period by Salvation Army volunteers as well as a large number of volunteer "bell ringers" from the area's Kiwanis, Lions, Rotary, Exchange, Toastmaster, VFW, and High School Key Clubs.

Learn Spanish the Easy Way

Hardison's Telespanish

By JAMES HARDISON

Natives of La Paz, Baja California, have a nice proverb in Spanish. It promotes the name of their city. It also suggests a deeper meaning. "Todo es posible en La Paz." is what they say. The saying can mean "Everying is possible in (the city of) La Paz." It also means "Everything is possible in peace."

Another phrase that might seem strange to the average "norteamericano" visiting in that area was "Esta usted en su casa." which literally means "You are in your house." A more general interpretation would allow us to translate the phrase to mean "Make yourself at home."

Citizens of La Paz exhibit great pride in the unbelievably shiny marble-floored "aeropuerto (airport) on the outskirts of the town. Big "aviones" and little ones land in their deliberate patterns. One airplane arrives from Mexico City with a "diputado" (deputy) who is greeted by smiles from olive-brown girls in colorful native costumes. The mariachi trumpeter starts a lively welcome song. Another airplane departs for Mazatlan and Culiacan. Still another airplane arrives after stopovers in Loreto (last mission directed by Junipero Serra before coming to San Diego) and Mulege, pronounced "mooleh-HEH."

It's a small world. La Paz is only one hour-an-a-half from San Diego by air. Spanish is their language and they speak it with an eloquence that would make Cervantes proud. If you seek an opportunity for tranquility, a tropical atmosphere, La Paz is the place. Like they say "Todo es posible en La Paz" and who but the people of La Paz can appreciate the full meaning.

Try these practice phrases with the recorded voice on 276-2762 before you go.

Thanksgiving Services Set This Morning

The Christian Church of Lemon Grove, 6970 San Miguel ave., plans its annual Thanksgiving Service this morning at 10 a.m. According to the minister, Dr. John T. Chase the service will be confined to the hour so as not to interfere with meal preparation and family gatherings.

There will be congregational singing, the Chancel Choir will sing and Dr. Chase will speak briefly. The young people of the church are leading in giving an opportunity to bring food items, canned goods, etc. which will be taken to Tijuana and there under the direction of Missionary Sergio Gomez who works in Tijuana distribution will be made to needy families.

In addition to this, members of the church are being given the opportunity to bring cash gifts to help provide travel funds for the Charles Kelley mission family who will be returning on Dec. 30 to their mission work in South Africa. Friends who come to worship on Thanksgiving Day may share in these efforts if they care to but as such such they will not be expected to do so. The minister promises that those who come to this service can be on their way home before eleven o'clock.

Re-union Scheduled

The Monte Vista High School class of 1962 plans a reunion. Those interested in helping with arrangements may write to the commissioner of alumnae affairs at 537 Felicita ave., Spring Valley.

Platinum is so heavy a cubic foot weighs more than 1,300 pounds.

WHEN WE FIND GOD, we discover something new of our selves, according to Miss Patricia Tuttle of San Francisco. "Our genuine identity and its true capacities come to light as we learn more of God."

Miss Tuttle, a Christian Science lecturer, will speak Saturday in La Mesa on the subject "Can We Find Fulfillment Now?"

The lecture is sponsored by the First Church of Christ, Scientist, La Mesa, and will be held at Grossmont Cinema at 11 a.m.

Miss Tuttle is a native of California and a graduate of San Diego State College. She taught school in the United States and then moved to Europe, where she lived and workd for 12 years.

During that time she served as a Christian Science Minister for the Armed Services, and Regional Assistant for Christian Science college organizations. She entered the public healing ministry of Christian Scince is 1964 while living in Copenhagen, Denmark.

Letters To The Editor

My Dear Amigo:

Mr. and Mrs. Gus Olmebrand are planning to open their Little Scandia restaurant next Thursday or Friday Dec. 3 or 4. They are the fine and wonderful people who bought my Mexican restaurant earlier this year.

They had a smorgasbord restaurant in Glendale which they sold before going back to Sweden for three years. But — the restaurant bug bit them again. After looking around San Diego and other areas they found wonderful Lemon Grove!

I sincerely wish them a lot of luck and success. I hope you will let the nice people of Lemon Grove know, in the next issue of your newpaper, what is happening at 7961 Broadway.

I will stop in soon to say "Buenos Dios."

Gracias

Symphony To Play Latin Christmas

Because featured guest artist Carol Neblett will not be able to make her scheduled appearances on Dec. 10 and 11, the San Diego Symphony Orchestra will play a Latin-American Festival of Christmas Music as well as the Bach "Magnificat".

Especially designed for this holy season by Zoltan Rozsnyai, music director and conductor of the Orchestra, this program will feature the combined 160 voices of the San Diego Symphonic Chorale and the Grossmont College Concert Choir at Civic Theatre, plus an orchestral premier.

Opening the program will be Arriaga y Balzola's Overture to Los Esclavos Felices (The Happy Slaves). The charm and freshness of this work remains undiminished since its premiere in 1819. Living a lifetime of creativity in a brief 20 years as composer, virtuoso and teacher, Arriaga's lovely musical legacy continues to enchant.

The incomparable "Magnificat" will again herald the birth of our Lord with love and devotion, as it has for the past 247 years. David Glissman will conduct the Chorale and Choir in this magnificent homage. Chorale soloists will be first soprano Tami Asakura; second soprano Marilyn Rue; alto Delphina Green; tenor Ken Remo; and basso Cleve Genzlinger.

Fiber from the leaves of pineapple plants are woven into fabrics in the Philippines.

Camp Fire Council To Meet In Jan.

The focus will be on camping at the annual meeting of the San Diego County Council of Camp Fire Girls scheduled for Tuesday, January 26, 1971, at the Barcelona Room of the Sheraton Inn, Harbor Island.

Chairman Mrs. William C. Droege has announced that Edward Schumacher, national camping director for Camp Fire Girls, Inc., will be the speaker. Another highlight of the program will be the official unveiling of plans for the new lodge-dining hall to be constructed in 1971 at Camp Wolahi. Camp Wolahi is the Camp Fire Girls resident facility near Lake Cuyamaca.

Business at the annual meeting will include the election of officers and and board members and the presentation of national awards to outstanding council volunteers. Several bylaws amendments are also scheduled for adoption at the meeting.

Judge Douglas R. Woodworth, bylaws committee chairman, has submitted the proposed revisions to the board of directors. The board is scheduled to vote on these recommendations at its December meeting.

This Sunday

Let no one imagine that it is a strained and unnatural thing for one to pray. The contrary is much closer to the fact. It is for more unnatural for one not to pray. Prayer is one of the most natural of human instincts. Prayer is man's response to the divine will.

Retired Persons To Hear Fred Dewey At Meeting

"Add Life to Your Years Through AARP" will be the advice given by Fred H. Dewey, Area Regional Representative for the American Association of Retired Persons, when he speaks to the San Diego Chapter tomorrow at 10 a.m. in the Maryland Hotel, 6th ave. and F. st., San Diego.

As AARP Regional Representative for the area, Dewey is responsible for association activities and works with the volunteer officers in programs to better the lives of retired persons in the area.

The nonprofit, nonpartisan American Association of Retired Persons was founded in 1958 to help older persons achieve a dynamic maturity and, of equal importance, to assist AARP members forced to live on stable retirement incomes in a period of continuously rising prices, through income-stretching services.

AARP developed the nation's first group health insurance plans for older persons and its own drug service, by mail. Later advances include a travel service geared to the special requirements of older persons and insurance plans that complement Medicare and provide for the unique needs of older drivers.

Pre-Retirement Planning, Legislative Representation, Hospitality Facilities and Institutes of Lifetime Learning are aspects of a dynamic maturity being enjoyed by the more than two million members of the American Association of Retired Persons.

firm. Police were on hand when Maxey came to collect his money.

In his own statement, Maxey claimed both the dentist and the accountant knew the machines were stolen and were to share in the proceeds from the sale. Maxey has been in the county jail since his arrest.

On Oct. 28, before Judge William T. Low, Maxey pleaded guilty.

Maxey's probation report shows that he expected to spend a time in custody and asked that it be in the county jail, rather than the honor camp, for he is in line for the post of head trusty in the jail dining room.

Gifts For Whole Family At COMBO-Mart Auction

COMBO-Mart, a public auction which will open its doors at 2 p.m. next Thursday, will offer Christmas gifts and practical services at bargain prices for the entire family, Christopher D. Sickels, auction chairman announced this week.

Five hundred items will be sold during the eight hour auction.

For the man of the house, COMBO-Mart offers a 60-pound USDA choice beef loin from Omaha donated by the Polar Frozen Food Service who have volunteered to cut it into sirloin steaks, T-bones and porterhouse steaks at the high bidder's specifications. The value is $70 and the odds are you can even beat wholesale at COMBO-Mart.

Or a man might want to bid on a fishing trip for six to the Coronado Islands on the cabin cruiser Richochet — complete with experienced skipper. This one-day trip, valued at $300, is donated to COMBO-Mart by Davis Motors.

To brighten a woman's Christmas, COMBO-Mart offers fashions, new home applicances, or week-long vacations.

For kids and teenagers, COMBO will auction surfboards, tennis rackets, real puppies, toy dogs, doll houses, piano lessons, violin lessons, ballet lessons, and organ lessons.

For the entire family to enjoy, COMBO-Mart will auction color television sets and two dozen stereos ranging in value from $169.95 to $409.95 — donated to COMBO by Fred Goss of Electric Supplies Distributing Co.

The California Highway Patrol: Routine Stops Can Be Hazardous

The California Highway Patrol, whose basic mission is to enforce traffic laws, made 11,103 felony arrests in 1969, many of which involved hard-end criminals, some of whom used gunfire in trying to evade capture.

Like all law enforcement officers, California Highway Patrolmen are prepared for contact with criminals at any time. Traffic officers are trained to expect the worst, even though only a small percentage of the violators are criminals.

Sometimes an officer has advance knowledge of the situation he faces, as did Officer Lee Enos prior to apprehending a murder suspect.

Soon after learning from the Antioch police the description of a pickup truck being driven by a murder suspect, Enos spotted the vehicle carrying two men. It was nighttime and Enos, who had already radioed for help, decided to stop the vehicle while it was still on a well-lighted street.

The vehicle's occupants offered no resistance, and the arrest was successful, thanks to Enos' skill in evaluating and controlling the situation.

Sometimes, however, the arresting officer has no warning of the hazardous confrontation. Such was the case when Officers Warren Loftus and Patrick Harrington were patrolling in the Newhall Area shortly after midnight.

The action started when the officers moved to stop a station wagon driving over the centerline and following another vehicle too closely. A man and a woman were in the car.

As both officers alighted from their vehicle, the stopped driver hurriedly stepped onto the roadway, swung toward the officers with a gun in his hand, and fired a shot at Harrington. Both officers returned fire from behind the open front doors of their patrol vehicle.

During the exchange, Loftus was wounded in the chest, and a Harrington bullet struck the driver in the chest. He ran a short distance before collapsing, seriously but not fatally wounded.

The driver had a long criminal record and was wanted in Los Angeles for robbery, yet when the officers switched on the red light, it looked like a rutine traffic stop.

The California Highway Patrol, aware of the dangers that officers face, provides many safeguards that are designed to minimize the hazards.

Their training in the Academy before they ever go out on the highway stresses procedures that provide the greatest amount of protection without reducing the officer's effectiveness in carrying out his mission. Particular attention is given to arrest procedures and enforcement policies, supported by classes in weaponry and unarmed combat.

Other tools are also available, including radio contact with the dispatcher and his fellow officers; rapid Autostatis and NCIC reports on stolen vehicles and guns, and wanted people; and assistance from other enforcement agencies.

However, these precautions, thorough and complete as they are, cannot always prevet tragedy from occurring.

No matter what the outcome of a hazardous incident, it is studied by trained personnel at the Highway Patrol's Academy in Sacramento to determine what can be learned to make the next such contact less likely to be deadly.

Lessons thus learned are passed along to the patrolman, both in the field and at the Academy.

Bench Warrant Issued in L.G. Marijuana Case

SAN DIEGO (CNA) — A Lemon Grove man charged with not taking his probation on a marijuana charge seriously found Thursday in Superior Court that judges do not like that kind of attitude.

Donald Ray Henson, 23, of 3169 Crane st., Lemon Grove, pleaded guilty in September, 1968, to maintaining a place where marijuana was used. He spent 15 days in jail while awaiting trial, and at his probation hearing he was sentenced to 30 days in jail, put on three years' probation and ordered to pay a fine of $200, plus a 25 per cent penalty assessment.

But the probation department reported this summer to Judge William T. Low that Henson had ignored his probation terms, not turning up for conferences and not paying his fine. The judged issued a bench warrant for Henson's arrest.

On Thursday, Judge Low ordered Henson to the honor camp for another 60 days. But he suspended 30 days of that to allow Henson to pay his fine. If he has not done so within six months after getting out of honor camp, he has to go back and serve the remaining 30 days.

The judge also extended his probation another year.

Eight Beauties Reign As 1970 Homecoming Queens

Eight senior girls have been chosen to represent their schools as 1970-71 homecoming queen, in the Grossmont District.

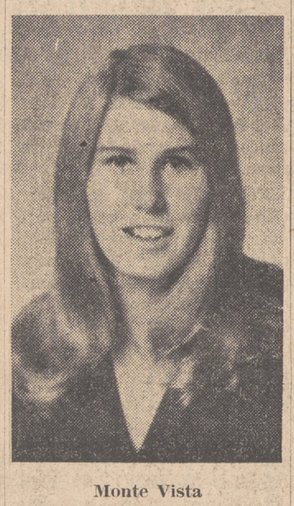
The young ladies exemplify a combination of personality, scholarship and school service. Each has reigned over the school's football homecoming game, will hold a prominent place in the school annual, and have memories to be cherished the rest of her life.

An exuberant, 5'4" blond is El Cajon Valley High School's homecoming queen for 1970-71. Terri Godbehere was chosen from five candidates by popular vote of the entire student body.

Helix

Gwen Da La Houssaye, a tall and stately senior, is this year's Helix High homecoming queen. Gwen, a 17-year-old senior is known by her fellow Helix students for her sparkling enthusiasm and keen sense of humor.

She is a member of the Distributive Education Clubs of America (DECA) chapter at Helix, has played in the marching band, and is active in various Girls' League committees.



Monte Vista

Homecoming queen of the Monte Vista Monarchy is blue-eyed, brunette, Kim Herr.

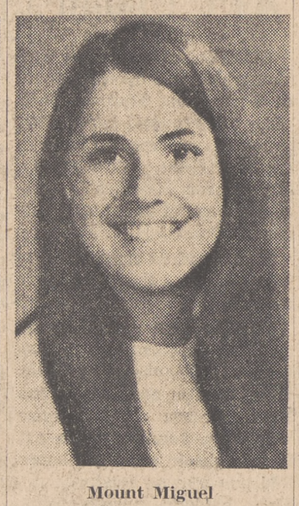
Kim, 17, ranks tops in her senior class in popularity as well as her grade point average, which is a straight 4.0.

She has been one of the mainstays of the girls' swim team for four years, and has set several league records in the process. She is currently a delegate to the student congress and head of the senior prom committee.

Eddi Walter, a sparkling blue-eyed blond, is the homecoming queen at El Capitan this year. Eddi, 17, a 5'5" senior, is a varsity cheerleader, active on the school's girls' swim team, and the senior class treasurer.

A lovely brown-eyed blond is Granite Hills High School's homecoming queen this year. Lesli Harlan, 17, is a cheerleader and the school's Commissioner of School Spirit.

Grossmont High's homecoming queen is senior Jan Harelson. A pert and pretty varsity cheerleader at Grossmont, Jan is also on the senior prom committee, senior senate, and is active in Campus Life, the Grossmont Hospital candy-striper program, and is a representative to the Broadway Hi-Deb program.



Mount Miguel

This year's Mount Miguel homecoming queen, a pretty, brown-eyed brunette, is Sally Tomlinson. Sally, 17, is a varsity cheerleader and is active in the school's International Club.

Recently voted the friendliest girl on campus, the 5'6" senior is also an excellent student who ranks ninth in her class of more than 550 students. Sally has also served as a representative on the nominating committee and is a member of the school annual staff ad Pep Club.

She is the daughter of Mr. & Mrs. James L. Tomlinson, 8757 Kelso st., Spring Valley.

The homecoming title at Santana High School this year is held by pretty, blue-eyed brunette, Pam Sherley. Pam, 17, is a varsity cheerleader at Santana, as well as a member of the student-faculty relations committee and active in modern dance.

Slides to be Shown

Mrs. H. Wilson, a history teacher at La Mesa Junior High school, will show slides Sunday of her recent trip to the Holy Land.

They will be shown at 7 p.m. at the Monterey Heights Baptist church, 7839 Carlisle st. in Lemon Grove.

She will also relate present day conditions to Biblical teachings.

The retroactive pay raises due postal employees will cost taxpayers an estimated $645.8-million.

Local Girls To Compete In Betty Crocker Test

Awards including $110,000 in college scholarships will be at stake Tuesday, Dec. 1, when senior girls at Monte Vista and Mount Miguel High Schools here join 648,000 others in schools throughout the 50 states and the District of Columbia in the written knowledge and attitude examination of the 17th annual Betty Crocker Search for the American Homemaker of Tomorrow.

Chosen on the basis of test scores in their schools, first-place winners in the high schools here will receive specially designed silver charms from General Mills, sponsor of the education program. Additionally, their papers will be entered in competition with those of all other school winners in the state.

The State Homemaker of Tomorrow will receive a $1,500 scholarship and, together with the winners from the other 49 states and the District of Columbia — each accompanied by a school advisr — will tour Washington, D.C., and Colonial Williamsburg, Va., next spring.

Second-place finisher in each state receive $500 educational grants. Schools of State Homemakers of Tomorrow are awarded complete sets of Encyclopaedia Britannica by Encyopaedia Britannica, Inc.

Culminating the tour for state winners will be the announcement of the 1971 Betty Crocker All-American Homemaker of Tomorrow, whose scholarship will be increased to $5,000. State Homemakers of Tomorrow ranking second, third and fourth in the nation will have their scholarships raised to $4,000, $3,000 and $2,-000. National judging is based on original test scores plus personal observation and interviews during the tour.

Mount Miguel Band To Make Appearance At Disneyland

The Mount Miguel Marching Band plans to make a guest appearance at Disneyland November 29, marking the second trip to the popular world of make-believe.

In West Africa 19.5 million persons have been vaccinated for measles.

Three Pop Blues Bands To Take Stage Sunday

By Lynn Jones

Three pop blues bands—Ten Years After, the Paul Butterfield Blues Band and Crowbar — will appear in a concert stating at 5 p.m. this Sunday, November 29, in the Sports Arena.

Lynn Jones

The headlining act, Ten Years After, has appeared here several times before. The four English musicians have been playing together since 1968. Members are: Leo Lyons, bass; Alvin Lee, guitar and vocal; Chick Churchill, organ; and Rick Lee, drums.

The Butterfield band, whose music comes from a Chicago blues tradition, includes Butterfield, harp and vocals; George Davidson, drums; Ralph Wash, guitar; Gene Dinwiddie, tenor saxophone; Trevor Lawrence, baritone sax; Steve Madaio, trumpet; Roderick Hicks, bass; and Teddy Harris, piano.

Crowbar was put together by Ronnie Hawkins, who plays the harp. Other members are: John (Greyhound) Gibbard, slide and lead guitar; Roly Greenway, bas guiatar; Sonnie Barnardi, drums; Ray Lanthier, guitar; and Kely J., keyboards and vocals.

Talk Session Planned For December 1

Parents and community leaders of the Heartland area are invited to attend a demonstration "talk session." The two-hour session will begin at 7 p.m. in the Grossmont High School auditorium, Tuesday evening, December 1.

This demonstration of parent-student communication is being produced in cooperation with the San Diego County Department of Education, Grossmont Union High School District, and the Foothills Secondary Council PTA.

The purpose of the session is to create a better understanding of the problems between students and parents and other adults, and to seek ways to learn to talk together.

"Most of us readily admit that many problems are caused by lack of communication, but few of us actually do what is needed, that is, learn to communicate better with each other, even in our own families," said Dr. Nick Mallek, Director of Pupil Personnel Services for the Grossmont Union High School District.

"It is our hope that demonstration sessions such as these will call attention to some of the problems of youth and the problems of communication, and help work toward a solution to both," said Mallek.

A panel will react to the "talk session." The panel members include Dr. Peter Frank, Director of Drug Abuse Education, San Diego County Schools; Dr. Nick Mallek, Grossmont Union High School District; Mrs. Pat DeMarce, President Foothills Secondary Council and Mrs. Margaret Willmon, School Health Specialist Cajon Valley Union School District.

WWII Film At Loma

Tora! Tora! Tora! What does it mean? It is the cry of the Japanese bombers to let their superiors know that they have succeeded in penetrating the American defenses without detection, on their way to bomb Pearl Harbor.

This magnificent two and one-half hour film is showing at the Loma Theater, 3150 Rosecrans, near Midway Dr., every night at 8:30 p.m. Matinees are at 2 p.m. on Wednesdays, Saturdays, Sundays and Holidays.

This film re-creates Sunday, December 7, 1941, the day that Pearl Harbor was bombed and left smoldering. This film is great in that you get both sides of the story. It tells of the diplomatic struggles, the making of the military strategy the Japanese Navy used, and the political events which led to the attack.

Tora! Tora! Tora! really makes you wonder if this is really the way it happened.

Bits And Pieces

A film, "Troubled Waters," will be shown in the Natural History Museum in Balboa Park on November 28 and 29, Saturday and Sunday, at 3 p.m. aand 1:30 and 3 p.m. respectively. This film follows the Ohio River downstream and shows how its waters are used over and over again. For more information call 232-9146.

* * *

"Nobody Loves An Albatross," the Ronald Alexander comedy about the television business will be presented by the La Mesa Players at 8 30 p.m. Fridays and Saturdays through December 5. It will be performed at 2 p.m. on November 29 in the Ben Polak Fine Arts Center, 8053 University Ave., as well as all other performances.

* * *

"The Magic Toyshop," Ginger Cody's seasonal play for children as well as adults, will be presented in the Actors Quarter, 480 Elm St., at 2 p.m. Saturdays and Sundays through December 13.

* * *

"Harvey", the Mary Chase comedy about Elwood P. Dowd and his invisible rabbit will be performed in the Old Globe Theatre in Balboa Park, at 8 p.m. Tuesdays, Thursdays, and Sundays. On Fridays and Saturdays it will be performed at 8:30 p.m. and on December 6, 13 and 20 it will be performed at 2 p.m., ending on December 20. There will be no showings on Mondays.

Tickets run from $1.50 to $3. For more information call 239-2255 after noon.

* * *

A puppet play, "Snoopy's Christmas," by Marie Hitchcock, will be playing on November 29 through December 20 in the Puppet Theatre in Balboa Park at 2, 3, and 4 p.m. They will be playing on Sundays only.

Biology Students See Dog Liver Transplant

The Monte Vista High School Biology II class witnessed the transplanting of a liver from one specially-bred beagle to another, recently at the San Diego University Hospital animal research laboratory.

The operation was performed by two surgeons, observing sterile methods, which required the biology students to don surgical gowns and caps.

Involved in the operation was the removal of the two livers and the transfer of the donors liver to the recipient dog.

The surgery involved the sacrifice of the donor dog, but was a vital step for the further development and success to future human liver transplants.

"A liver transplant is a very intricate operation, lasting about five hours. It amounts to about $1000, the beagles costing $125. A kidney transplant is 'duck soup' compared to a liver transplant," said Hazel Sayers, secretary of the research lab.

One of the two surgeons told the students that he felt that an internal artificial heart will be a reality in ten years, but an artificial is still only a dream since it is such a complicated organ with so many functions.

Students in the class are Derek Preece, Eric Blinman, Randy Kossoff, Randy Boone, Loren Davis, Dan Huyser, Linda Shalom, Geri Shaffer, Mark Jacobson, and Sonja Sorbo.

Twenty Senior Standouts Are Named At M.V.

Twenty Monte Vista High School senior stand-outs were announced at the Homecoming game, after being elected by members of the class of 1971.

Libby Lashbrook and Ray Lanflisi were chosen for their pretty eyes.

Trish Thomas and Tony Harper were deemed to have the prettiest smiles.

The friendliest are Cindy Walters and Barry Gehl.

Biggest flirts are Onnie Shelley and Dan Close.

Most school service was granted to Debbie Fehlberg and Ron Stahl.

Roxanne Hester and Bill Kiesel were chosen for having the most school spirit.

Honored as the most likely to succeed were Kim Herr and Carl Stucky.

Named as the best groomed were Donna Newton and Lewis Michaelson.

Kris Unsicker was awarded best humor along with Jim Arneson.

Chosen by the class as the best all around were Jackie Norris and Dave Little.

Destroyer To Return To San Diego Tuesday

The San Diego based destroyer USS Bausell returns to her homeport Tuesday, concluding her fifth deployment to the Vietnam war zone. She will berth at the 32nd Street Naval Station.

During the deployment, Bausell's duties included gunfire support missions for allied forces ashore, protection for Yankee Station aircraft carriers from possible attack by enemy aircraft, submarine, or surface ships, and enemy infiltration trawler surveillance.

Garrett Faces Former Team-mates As Chargers Invade Kansas City

Mike Garrett against the Kansas City Chiefs. In a season of Hollywood finishes, how's that for a coming attraction?

A leading man for the Chiefs for four years, Garrett will be center stage Sunday for the San Diego Chargers against his former teammates at Kansas City's Municipal Stadium. Instead of an arrowhead on his headgear, he wears a lightning bolt.

The game, first of two meetings between the teams, will be televised in San Diego on KOGO-10 and broadcast by Stu Nahan and Emil Karas on KDEO and the Charger network starting at 11 a.m. (PST). The teams close out the season at San Diego on Dec. 20.

Coach Charlie Waller's Chargers (4-4-2) will need Garrett and all their firepower to counter the mighty defensive platoon of the Chiefs (5-3-2). The Super Bowl champions of Coach Hank Stram lead the AFC in total defense and have the league's top interceptor in Johnny Robinson with 7.

Of critical importance to San Diego will be the ability of its offensive line to protect John Hadl from the clutches of Kansas City's "Mayhem Inc." front four of ends Aaron Brown and Jerry Mays and tackles Buck Buchanan and Curley Culp.

Kansas City also boasts the league's top scorer in placekicker extraordinary Jan Stenerud (79 points) and top punt returner in Ed Podolak (15.6 average), who also leads the Chiefs in rushing with 481 yards and a 4.3 average. Cool Lenny Dawson ranks No. 5 in passing and is one of pro football's premier quarterbacks.

San Diego lost its first game in six weeks last Sunday, bowing to the Oakland Raiders, 20-17, before a record crowd of 54,594 at Oakland Coliseum. The Chargers played hard and well before succumbing to a 16-yard field goal by George Blanda with four seconds left.

Hadl generated a 331-yard attack. He completed 12 of 27 passes for 187 yards and 2 touchdowns, but had his streak of passes without an interception stopped at 106. Gary Garrison caught six passes for 114 yards and scored his ninth and 10th touchdowns of the season. Dickie Post (64 yards in 15 carries), Brad Hubbert (50 in 10) and Garrett (25 in 3) ran strongly.

Defensively San Diego halted the touchdown-passing game streak of 25 by Daryl Lamonica. Cornerback Joe Beauchamp limited Warren Wells to one 12-yard catch. Linebackers Bob Babich and Pete Barnes each made nine unassisted tackles.

Speedy Duncan picked up 125 yards on kickoff returns and needs 49 yards to become the fourth player in history to gain 5,000 yards in combined kick and punt returns.

Gulls Return To Arena For Roadrunner Fray

The San Diego Gulls play a weekend series with the Phoenix Roadrunners, then head out onto the road again for a short trip that launches their December schedule.

San Diego will travel to Phoenix for a game tomorrow evening, then return to the Sports Arena to battle the Roadrunners on Saturday night. Following Saturday night's affair, the Gulls will travel to Denver Wednesday and Salt Lake Thursday.

Tomorrow night's game in Phoenix will be broadcast on KOGO radio (600) and televised on KCST, Channel 39, live and in color at 7 p.m. All the other games will be broadcast on KOGO.

The Gulls and Roadrunners stand 1-1-1 in their seasonal series thus far. They split a pair of games in Phoenix, and the only game in San Diego ended in a 1-1 tie.

The Gulls will have played 15 of their 36 road games by the end of the short road hop next week. They played 12 of their first 19 games on the road and will pass the halfway mark in their road schedule before Christmas.

In last week's activity, the Gulls split a pair of games, dropping a 6-3 decision in Portland on Friday night and topping Salt Lake, 4-3, at the Sports Arena on Sunday night.

The Gulls led Portland, 3-2, after two periods, but the Buckaroo turned on a strong attack in the third period to skate off the win. Sunday night it was a different story; the Gulls scored two late goals to overcome a 3-2 third period lead by Salt Lake.

Alain Caron tied the game with a good individual effort, and John Miszuk batted home a rebound for the winning goal a few minutes later.

Individually, the Gulls' big line of Gerry Goyer, Al Nicholson, and Bob Courcy continued its torrid pace. The line has piled up 88 points in the Gulls' first 20 games, with 34 goals and 54 assists. Courcy leads the league in points and goals with 17 goals. 16 assists for 33 points. Goyer has 29 points (8-21) and Nicholson has 26 (9-17).

Andy Williams San Diego Open Tickets Ready

Area residents may obtain tickets for the fourth annual Andy Williams San Diego Open in Lemon Grove at the Village Golf Shop, 7779 Broadway; First National Bank, Golden and Imperial, and U.S. National Bank, Broadway and Grove. They are available now.

The Pro-Am action will take place Jan. 26-31 at Torrey Pines and on Jan. 26 at Stardust Country Club.

Discount prices for the advance sale are: weekdays — $2.75; weekend — $4; season — $15. During the tournament the same tickets will be $3.50, $5 and $24 respectively.

Andy Williams and some 50 celebrity friends will join leading amateurs and pros in the two-day Pro-Am. Then Pete Brown will open defense of the title he won in a dramatic sudden-death playoff finish with Tony Jacklin last year in the 72-hole classic.

Among the show biz famous expected to be on hand are Jack Lemmon, Danny Thomas, Glenn Campbell, Lawrence Welk, Ernie Ford, Chuck Connors, Joey Bishop, Dick Martin and Fred MacMurray.

Three Local High Schools Make Finals

By Tom Blattler

Running without their number one runner, Tom Lux, the Monte Vista Monarchs placed second in their heat race in the San Diego CIF cross country preliminaries last Friday at UCSD.

The Monarchs, said Monte Vista coach Larry Godfrey, were just trying to qualify for the CIF finals, as the Madison Warhawks took first place.

Lux, the Grossmont League's top runner, did not run because of a pulled muscle in his calf, and Godfrey did not want Lux to injure the muscle any more. Tom was expected to be ready yesterday when the finals were to be held.

The top Monte Vista runner last Friday was senior Tom Sims, who placed ninth. Sophomore Gary Close was up to grab 11th position, and junior Rick Duenez finished 13th in the heat.

Other Monarch harriers were Tom Wendt, who finished 25th, while Mike Stewart nabbed 29th position, and John Tilt placed 34th.

Helix and Mt. Miguel also qualified for the finals. Helix took second and Mt. Miguel placed third in their races.

Ed Mendoza of Helix finished second to Clairemont's Dave Harper, considered by many to be the top runner in the county. Mendoza's time was 10:26, compared to Harper's 9:55.

Finals in the competition were held yesterday afternoon, too late to print results in this week's paper. Watch the December 3 issue for results.

Golf Tourney On Tap At Carlton Oaks

Carlton Oaks Country Club will be the sight of the Danny Salmas Invitational Golf Tournament December 13, at 11 a.m. The course, described as a "hard seventy-two", will host over 140 prominent local golfers including such pros as Jimmy Gilbert, Lynn Meyers, Lou Kaye, Bill Blanton, Claude Waymire, Tommy Johnson, Dennis Bentley, Ted Dorius and Jim Bentley.

Proceeds from the tournament will benefit the Children's Health Center here in San Diego.

The one day affair is open to the public and is being sponsored by Danny Salmas, a local entertainer. Assisting in the tournament will also be the Women's Auxiliary to Children's Health Center.

After the tournament, the participants will proceed to the Gaslight room on Midway Drive for complementary food, beverages and entertainment by such groups as Jessie Davis, C. C. Jones and Company, Buddy Reed, Bobby Shoen, the Duke and others. Prizes and trophies for all will also be awarded at the party.

Co-op Nursery School Continued

The Heartland YMCA will continue to offer a cooperative nursery preschool for children three to five years of age.

Classes will be held each Tuesday and Thursday morning from 9 a.m. to 11:30 p.m. with another session in the afternoon from noon to 2:30 p.m. This is a California State licensed preschool with a certified teacher. Activities include free play, art projects, story times and field trips.

The cost for each ten week period is $20 which is $1 per session. Each mother is required to assist the teacher in four session each ten weeks.

Call the Heartland YMCA 466-4161 for more information about either the morning or afternoon sessions.

Spring Valley, Parkway Win Cross Country Meets

Dan Cardenas made a great last minute effort to tie teammate George Billingsley in a dead heat for first place in the La Mesa Recreation Department championship junior high cross country race, as Spring Valley Junior High won it all last Thursday.

Running over a rugged 1½-mile course at Helix High School, Spring Valley runners also nailed down fifth place, eighth place, and ninth place for a total score of 25 points. Parkway Junior High, led by Howard Mills' sixth place finish, got enough grouping to make off with second place, with 48 points.

In the seventh grade competition, Parkway overcame a one-two finish by La Presa's Rich Bales and Cliff Davenport to claim the championship with a total of 35 points. Parkway took third, sixth, seventh, ninth, and tenth for its winning total, as La Presa could do no better than second with fifty points.

In the eighth grade race, La Mesa took third place, Lemon Grove Junior High, running for only the second time this year, took fourth, and La Presa finished last.

Spring Valley Junior High was third in the seventh grade competition, with La Mesa and Lemon Grove completing the competing teams.

The meet was the championship meet of a series of five season meets held this year by the La Mesa Recreation Department in cooperation with the Helix High School cross-country staff.

Junior High School runners can now look forward to a countywide meet to be held in El Cajon December 5, at 10 a.m. on the Granite Hills High School cross-country course.

A preliminary meet will be held Saturday morning at 10 a.m. as a tune-up for the meet December 5, with all local junior high runners invited. Interested runners should meet in the football bleachers on the day of the race.

'Pistol Pete' Maravich Leads Hawks Here Friday

Pistol Pete Maravich, the greatest scorer in collegiate history, makes his San Diego debut Friday night as he leads the Atlanta Hawks against the Rockets in an 8 p.m. clash at the San Diego Sports Arena.

Maravich, a three-time All-American from Louisiana State, holds 11 NCAA records including career scoring average (44.2 points over 83 games), total points (3,667 which surpassed Oscar Robertson's 2,973 record) and most field goals (1,387 bettering Elvin Hayes' 1,215 record).

The 6-5 wonder rookie has given the Hawks a decided boost in recent games after taking over a starting job in the backcourt. In his first 13 games, Maravich averaged 14.3 a contest. In four matches last week, Pete had games of 28 (vs. Los Angeles) and 32 each against Portland, Baltimore and Philadelphia to total 124 points (31.0 average) and increase his season output to 18.2 a game over the first 17 contests.

Besides his shooting ability, Maravich is cnsidered one of the outstanding playmakers to come out of the college ranks. He was the Hawks' No. 1 draft choice last March, being picked third in the NBA after Detroit selected Bob Lanier and San Diego, Rudy Tomjanovich.

Maravich is in the Hawks' backcourt along with veteran guard Walt Hazzard who put together 28-point efforts last Saturday and Sunday in wins over Baltimore and Philadelphia. With Maravich scoring 32 in each of those contests, the quick guard combination totaled 60 points per game.

Cajon Speedway Faces Shutdown As Supervisors Mull Lease

SAN DIEGO (CNA) — Auto racing at this county's only oval course could be halted after May 31, 1971.

The Board of Supervisors tentatively plans to consider an extension of the sublease of Cajon Raceway at Gillespie Field in Santee on Dec. 8.

Thomas W. Jackman, holder of the sublease, has asked the board to agree to a five-year extension. He said Cajon Plaza, Inc., headed by Earl F. Brucker, has offered the five-year extension at the same terms and conditions.

Brucker holds a 50-year lease on 70 acres at the field, a lease signed in 1955. The terms of the lease are so favorable to Brucker that the county does not even share in the track income.

Residents of the area, even those a good distance away, have long been nettled by the roar of the unmuffled engines.

Jackman said, "There are presently 1,500 members of five auto racing associations, and over 170,000 citizens attended races last year.

Another factor mitigates against a sublease renewal. The county intends to regain the Brucker lease and court action might be necessary. As it is the only revenue producing operation at the field, the sublease could produce a higher condemnation price.

The 70-acre lease land is wanted for industrial expansion at the field.

County observers would be surprised if the racers are not looking for a new home next summer.

Bobby Soxers Looking For Team Sponsors

The Lemon Grove Bobby Sox League, with the season to start in April, is currently looking for businesses in the area that are willing to sponsor a team.

Bobby Sox Softball is a non-profit organization created for the purpose of helping girls aged 9 to 15 to develop good sportsmanship and keep physically fit.

The Lemon Grove Bobby Sox, which has been active for two years, fielded 10 teams last year, involving 150 girls. This year the goal has been set for 16 teams, involving 250 girls.

Sponsor fees are $100, which provides uniforms, equipment, and sponsorship patches on the uniforms. All sponsors have the opportunity of naming the team, and will be mentioned in the annual program, and will receive a certificate of sponsorship.

Other ways to help the league include advertising in the program, and joining the boosters club. A membership in the boosters club costs only $10.

CLASS OF THE LEAGUE — The Mount Miguel girl's swim team made off with three of a posssible four trophies November 13, as they swam their wayy to titles in Class A competition, Class C competition, and overall competition. Displaying trophies, from left, are Cindy Sundahl, class C, Eileen O'Brien, class B, Shirley Oates, coach, Lisa Goodwin, team captain, and Sandee White, class A. Eight schools participated in the meet.

Matador Girls Run Away With San Diego CIF Championship

Mount Miguel High School's girls' swim team proved themselves the top team in the county last week, as it won the San Diego Section CIF championship Saturday at the Grossmont College pool.

The Matador fish were unable to come up with a victory in any of the three classes, but managed enough overall points to win the meet.

The Miguel gals finished third in Class A, second in Class B, and third in Class C. Mount Miguel rolled up 100 points in the A division to bomb the Helix swimmers. The Scots managed enough points to upend the Matadors in the other two divisions, but couldn't make up the difference.

Outstanding efforts by Mt. Miguel included a pair of gold medals for Cindy Sundahl in Class C competition. She won both the 50-yard backstroke and the 50-yard breaststroke in that division.

Cindy also had a hand in another gold medal for the Matadors as she was a member of the 200-yard medley relay team. Other members sharing the gold for that one include Millie Haffaker, Patty Carey, and Janet Walter.

The only other first place Mount Miguel could manage in the meet was in the Class B Medley Relay race, where Eilseen O'Brien, Mary Obendorfer, Karen Saucier, and Donna Stenberg joined forces to win.

Finals Scores:

Mount Miguel	320
Helix	309
Patrick Henry	295
Crawford	259
La Jolla	229
El Capitan	229
Escondido	195
Coronado	165
Monte Vista	125
Grossmont	123
Granite Hills	81
Santana	25

Flag Football Carnival Set At Mesa College

The largest flag football carnival ever staged by the San Diego Recreation Department will be held at Mesa College Stadium Dec. 5 from 5-10 p.m., under sponsorship of the Department and the Kearny Vista Recreation District. Admission is free.

Six Eastern teams will meet six Western teams in the five-hour event to be punctuated at half time by pom pom and drill competition and appearances of the Naval Training Center Drum and Bugle Corps and the Lincoln High ROTC Precision Drill Team.

The half time program will take place at 7 p.m. The pom pom and drill competition will be judged by Kearny High drill instructors. Emil Karas of the Chargers staff will present the awards.

Mills Eyes Post

A resolution by the California Council of Service Employees encouraging State Senator James R. Mills (D-San Diego) to seek the post of Senate President Pro Tem has been given the Southern California Legislator.

Mills, who won re-election to a second four-year Senate term is the only person in California history to serve as chairman of his partys' Caucus in both houses of the legislature.

Monte Vista, Helix, El Cajon Cage Crews Head Grossmont Loop

The 1970-71 high school basketball season got underway this week, as local teams squared off in non-league action to tune up for holiday basketball tournaments.

Monte Vista, putting up a good fight for the Grossmont League crown last year, is the favorite to cop the title this year, with such standouts as 6'7" Allen Bunting and guard Bob Papciak.

The Monarchs, under new coach Pete Colonelli, made off with the county's summer league title with a fine full court press and some eagle-eye shooting.

Backing up center Bunting will be forwards Gary Earle and Jack Cross, both with talented eyes and quick hands.

Only two other teams in the league will pose much of a problem for Monte Vista. Helix, after losing Bill Walton, who now plays for UCLA's frosh team, still are to be reckoned with and could cause some minor surprises.

Gary Ely is ready to take over the first-string center job, and he will be aided by such talented shot-makers as Mike Honz and Andy Walton.

El Cajon High is looking for its best year yet, with the return of four starters. The Braves lack the big man that could be enough to put them on top of the league. Look for a third place finish from them.

Other teams that could fare well in the Grossmont League are Mount Miguel, Grossmont, and Santana. Mount Miguel, after losing their coach, Dick Ridgeway, who died of a heart attack, had problems last summer, but could put it together soon enough to be among the top three or four.

In a race for the bottom of the league, look for Granite Hills and El Capitan, two teams who should have dismal years.

Aztecs To Try Comeback Trail Saturday Night

The curtain will fall this Saturday night on San Diego State's 1970 regular season schedule as the Aztecs host Iowa State University.

Kickoff time is set for 8 p.m. in San Diego Stadium.

The Aztecs (9-1) will be out to avenge a 27-11 upset defeat handed them by Cal State Long Beach when they meet the Cyclones (4-6). The loss snapped a 31-game unbeaten streak which included 21 straight wins. The defeat has probably cost State its national ranking and any possible bowl bids.

"Well," commented a disappointed head coach Don Coryell, "it had to come to an end sometime. It takes a lot of pressure off, but it's still nice to win."

If you want to put stock in Aztec player comments, this week's Iowa State clash could be a real hum dinger. To say the least the Aztecs are just as anxious as anyone to start a new winning streak.

"Well, we'll just have to start all over again," said Coryell, "and this week's game is as good a time as any." The last time SDS lost was in 1967 (31-25 to Utah State) and that started the 31-game unbeaten string. Maybe history will repeat itself.

Pads Plan 24-Game Spring

The San Diego Padres will play a 28-game spring training schedule, including 14 games at Yuma, Arizona, their training headquarters.

General Manager Eddie Leishman, in announcing the schedule, said that the Padres will play three games against the Tokyo Orions, division champions in Japan's professional Major Leagues.

All Cactus League clubs will visit Yuma's Desert Sun Stadium, beginning with Oakland's appearance on March 5, the San Diego spring opener.

The attractive spring schedule features four weekend March "home" dates; Tokyo on Saturday and Sunday, March 6, 7; Cleveland and Milwaukee on March 13, 14; Tokyo and California on March 20, 21 and Oakland on March 27, 28.

Games with Milwaukee at Albuquerque on April 3 and at Tempe on April 4 will conclude pre-season training. The Padres open their National League season on Tuesday, April 6, at San Diego Stadium against the San Francisco Giants.

All games in Arizona will start at 1 p.m. (12 o'clock PST).

NAVAL MANEUVERS — A surplus anchor chain from a Navy heavy cruiser may show up in local areas being cleared and re-seeded after the recent Laguna Fire, according to the County Agriculture Department. The chain, which weighs 95 pounds per foot, breaks up crusted soil, clears stumps, and covers seed, at a cost of about two dollars per acre. Previously, the least expensive method of clearing and re-seeding was about $15 per acre.

Explore Mailed

More than 65,000 copies of the winter issue of **Explore**, a quarterly bulletin announcing courses and programs offered by University of California Extension, will be mailed to San Diego area residents this week.

A total of 225 courses and conferences will be offered during the winter quarter which begins Jan. 4. **Explore** contains complete information on instructors class locations and enrollment fees.

Edgemoor Patients To Be Dinner Guests

Mrs. C. Forrest Baxter, at whose suggestion the Business Women's League of Lemon Grove has annually supplied Christmas gifts for Edgemoor Geriatric Hospital patients, is again planning the group's traditional Christmas dinner at her home.

The date has been set for Sunday, December 13, at 4 p.m., and includes a gift exchange among members and their husbands during the social hour preceding dinner.

Mrs. Harold Franklin will accept gifts for Edgemoor Hospital during the month of November, at the suggestion of Mrs. Rex Budel, Auxiliary Christmas chairman.

BUSY DAY — George Fickas, owner of Honest George Tires, reports that things have been really "hopping" at his new location at 7620 North ave., Lemon Grove. Fickas, who moved his business to the new spot from a place about a block down the road, plans to expand his shop to include wheel alignment and brake work.

Local Couple Gets Surprise Anniversary

A surprise "open house" honoring Mr. and Mrs. Lindeneau, on their 25th wedding anniversary, was held at their home, 9022 Koonce dr., Spring Valley, Nov. 21.

The Lindeneaus were married Nov. 17, 1944, in Villa Park, Ill. Jackie Lindeneau is president of the Spring Valley Woman's Club and Glenn has been active in Scout work for several years.

Johnson To Head Meet

Rev. Jimmy Johnson of the Lemon Grove Kiwanis "Special Devolpment Committee" will head a joint Breakfast meeting with members of Lemon Grove Rotary, Lions, Chamber of Commerce and Planning Commission and PTAs from Lemon Grove and Palm Junior High schools.

The purpose of the meeting is to organize a joint committee for the purpose of establishing a "hot line", counseling and recreation center to combat narcotics.

The Kiwanis Special Commiteee has researched several other such organizations in San Diego for background information.

The meeting is for December 1, at 7 a.m. at Jensen's El Amigo's restaurant, Imperial and Golden aves., Lemon Grove.

Rev. Johnson is youth pastor at the Skyline Methodist Church in Lemon Grove.

U. S. colleges will hand out 244,000 masters degrees and 31,000 doctorates during 1970.

Gem And Mineral Roundup To Run Through Nov. 29

More than a thousand gem and mineral hobbyists are expected to gather at the famous Gold Rock Ranch in Imperial county today through Nov. 29 when the Council of the San Diego County Gem and Mineral Societies host their Fourth Annual Gem and Mineral Round-Up.

According to Joe Wilt, of Spring Valley, chairman for the annual evet, this year's round-up promies to be the largest outdoor gathering of rockhounds in California with hobbyists from throughout the southwest invited to attend the annual event.

Wilt said, "anyone interested in rocks, minerals, fossils or the beauty of the desert in the late fall is invited to attend. There is no admission charge and unlimited camp sites will be available. Experienced leaders will conduct field trips for agate, geodes, petrified wood and fossils on each day of the round-up.

"In-camp events will include rock and mineral displays, dry gold panning demonstrations, auctions, evening camp fires with community singing, skits and liars' contests. Thursday's program will feature the erection of a flag pole for the Walker Memorial.

"Friday's program will be highlighted by the dedication of the Carl 'Dad' Walker Memorial and a flag raising ceremony in honor of the late Mrs. Charles Howell, wife of the former president of the Council of the San Diego Gem and Mineral Societies and California Federation of Mineralogical Societies.

"Saturday has been designated as clean-up day when rockhounds, in cooperation with the Bureau of Land Management will again pick up the litter along approximately 30 miles of the Ogilby-Blythe road, as well as the town-site of Ogilby.

Walker's Gold Rock Ranch may be reached by taking the Ogilby Road off-ramp from Interstate 8, 45 miles east of El Centrol and 14 miles west of Yuma, Arizona. Gold Rock Ranch is 7 miles north of Interstate 8 on the Ogilby Road.

Bio-Med Conference Set For Grossmont

Grossmont College will again co-sponsor and serve as host of the Third Annual Conference on Biomedical Technology and Manpower. Other sponsors of the spring conference will be the U. S. Naval Hospital Corps School, San Dieg and the American Association of Junior Colleges in cooperation with the Regional Medical Program for San Diego and Imperial Counties and the University of California San Diego School f Medicine.

Scheduled for April 5, 6, and 7, 1971, the conference will accent San Diego area programs now in action, particularly those projects involving curricular development, staffing and recruitment of personnel, and the systematic cooperation betwetn schools, hospitals, industry and technical agencies.

The biomedical technology program at Grossmont College has expanded beyond all expectations this year. According to Willard Dellegar, head of the Grossmont College Biomedical Technology program, the expanded enrollment is due to Grossmont College's leadership in developing biomedical technology courses such as Cardiopulmonary and Cardiovascular Technologies, Physiological Monitoring and Medical Electronic Equipment Calibration and Repair.

Two Films On Tap Next Week At College

Grossmont College will present two first-run films to continue the Fall Film Series when "Goodbye Columbus," starring Richard Benjamin, Ali MacGraw and Jack Klugman is screened Wednesday, December 2, and "The Blue Max," featuring performances by George Peppard, James Mason, Ursula Andress and Karl Volger, is screened on Thursday, December 3. Both films will be presented at 7:30 p.m., in the Fine Arts Lecture Hall.

Set in a society where only appearances count, "Goodbye Columbus" is a story of a Jewish college graduate and a Radcliffe student whose parents some years ago graduated from Newark to an elegant suburb nearby. It captures their athletic endeavors from the bedroom to tennis court.

"The Blue Max," a story of the German Air Force in World War I, features spectacular, breath-taking action shots of dogfights and bomber raids at close range to bring back vivid memories of similar scenes in the classic "Hell's Angels" and "Wings."

Bourgeois, anti-hero Peppard, a member of the elite German Air Force, ruthlessly pursues the coveted flying medal, The Blue Max, awarded only to flyers who shoot down 20 Allied planes. Dangerously undisciplined, opportunistic and openely resentful of the superior, arrogant attitude of the other members of the Corps, he cold-heartedly cheats in love and war to achieve his driving ambition.

The public is invited to enjoy an evening of fine film entertainment. The price of admission for "Goodbye Columbus" is $1 with a special discount price of 50 cents. The price of admission to "The Blue Max" is 50 cents. Tickets will be available at the door on the evening of each performance.

Christmas Club Payoff Made Here

Southern California First National Bank mailed $1,901,747.03 in Christmas Club savings accounts including $37,885 in interest according to Frank Shughrue, Jr., Vice President and manager of the Lemon Grove Office, 3285 Imperial ave.

A total of 9,056 Christmas Club checks which averaged about $210 each were distributed.

Shoppers who wish to plan ahead may currently open a 1971 Christmas Club account. No penalty or loss of interest is imposed on such accounts at SCFNB.

PRETTY HOMEMAKER — An electric smile lights up Sherry Vrooman's pretty face in anticipation of the largest Electric and Home Appliance Show ever staged in Southern California. The 37th annual event, slated for tomorrow through December 2 at the Community Concourse will feature Sherry as official hostess. The show will be open daily from 1 to 10:30 p.m., and J. Clark Chamberlain, secretary-manager of the Bureau of Home Appliances which sponsors the annual show, pointed out that this year's show will contain more special features than any preceding it.

Three BoA Branches Here Share $176,000 Club Funds

Nearly $87 million in Bank of America Christmas Club checks — including $176,000 for Spring Valley - Lemon Grove residents have been distributed to thrifty Californians this month.

The distribution was from the three BoA branches in the area.

Al Woods, manager of the Lemon Grove bank distributed $70,100; Don Holland, manager of the Campo-Conrad branch distributed $49,400, and Eugene Pierson, manager of the Sweetwater - Jamacha branch split $55,600.

All managers noted that the money is being distributed in plenty of time for the holiday shopping season.

The 1970 Christmas Club checks will average $211.70, down slightly from $218.12, last year's, when a record breaking $91 million was accumulated statewide.

All told, nearly 210,000 Southern Californians tucked away $43.3 million this year, while Northern Californians collected $42.2 in 200,000 accounts.

In explaining the slight drop in the statewide figures, the manager said this year's higher than usual unemployment rate led many residents to close off their accounts early. One of the major reasons for establishing Christmas Club accounts is for use in just such emergencies, he noted.

Other people use the money for winter vacations or paying such year-end expenses as taxes and insurance premiums.

Generally improving economic conditions should boost next year's figures again, however, the banker predicted.

Drunk-Drive Charge For S.V. Resident

SAN DIEGO (CNA) — The Spring Valley Postmaster was arrested for drunk driving with an open container of liquor in the vehicle at 10:30 p.m. Nov. 17, according to Sheriff's records.

William Herbert Fitzpatrick, 55, of 3903 Kenwood dr., Spring Valley, was booked in County Jail and held there until 2:15 a.m. Nov. 18 when $401.50 was posted as bail.

Fitzpatrick is to appear at El Cajon Municipal Court Friday.

Records show he was arrested by the Calif. Highway Patrol on Jamacha road in La Presa. When booked he gave his occupation as "postmaster".

Eliot Beddoe, 79, Claims Bride

Eliot Lockett Beddoe, 79, a well-known local resident, was married Sunday to Edna Mary Holland, 50, of National City.

The ceremony was performed at the San Diego Convalscent hospital where Beddoe has been a resident for the past five years. Judge John Menard of National City performed the ceremony.

Beddoe lived at 8354 Golden ave., for several years on the premises of the residence of his sister, Mrs. Randolph Morse. He lived there until he moved to the convalescent home at 3780 Massachusetts. He underwent surgery in September at which time his leg was removed.

Beddoe said he had known the bride for 30 years. He has been married four other times, he said.

Prior to his illness, Beddoe was active in the now-defunct Lemon Grove Men's Club. He will continue to live at the convalscent home and the bride will continue to live at her Harbison ave. residence.

She will continue to visit every day, Beddoe said.

Bank Lowers Rate

Southern California First National Bank, announced a reduction in its prime lending rate from 7½ per cent to 7¼ per cent effective immediately.

C. C. Blakemore, president and chief executive officer, said the Federal Reserve Board policy in easing the money situation and a somewhat lower loan demand make this move appropriate.

EARLY CHRISTMAS — Delivering Bank of America Christmas Club checks to over 409,000 thrifty Californians this year was Santa's favorite helper, Judy Abercrombie. The checks, totaling nearly $87 million, were distributed in mid November so that recipients would have plenty of time for Christmas shopping or paying their year-end bills.

Police 'Pot-Shot' Charge Brings Guilty Plea

SAN DIEGO (CNA) — A Lemon Grove man charged with assault with a deadly weapon and assault with intent to murder, the would be victim being a police officer, pleaded guilty to the first count Tuesday in Superior Court.

Judge Leland Nielsen then dismissed the intent to murder charge against Ignacio Solis Romero, 30, of 7645 Pacific ave., Lemon Grove, in "furtherance of justice."

The incident took place in late July, when Randel Swanson, an off-duty San Diego police officer, was driving east on C street, San Diego. He reported that the passenger side of his car was hit by a bullet from a highpowered rifle, apparently fired from an abandoned lumber yard.

Romero surrendered to sheriff's deputies, upon hearing that he was a suspect. After his surrender, he was booked on suspicion to commit murder. His bail was set at $25,000, and he was held in the county jail. However, his bail was reduced in October, and he has been at liberty on bail.

Judge Nielsen set Dec. 15 for Romero's sentencing and probation hearing. The maximum for assault with a deadly weapon is 10 years in state prison, with no minimum. For intent to murder, the term would have been one to 14 years in prison.

Christmas Concert Planned By Local Organ Firm December 12

A Lemon Grove firm will kick-off the Christmas Season here with an organ concert — the first of a series that will run into summer.

The presentation will be made by Southland Music Center, 3456 Imperial ave., a new organ firm dealing exclusively in organs and pianos.

The first concert is Saturday, December 12, and will feature organist James Hansen in a Christmas concert featuring classical organ music; the Laurel & Hardy silent film classic "Big Business" and an old-fashioned follow-the-bouncing-ball Sing-Along, with familiar carols and songs associated with the Christmas Season.

Popular Christmas music will also be featured in the program. The concert is scheduled for Saturday, December 12 at 8 p.m.

An interesting Southland Music Center feature is the large 300 seat theatre in which the store is located. The actual showrooms flank the foyer, or entrance to the theatre itself. The firm engages in the retail sale of organs, pianos, sheet music, records, tapes and accessories for keyboard instruments and offers a teaching program as well.

The reason for the theatre building is quite simple: Jim Hansen and Tommy Stark, who own Southland Music Center, are interested in theatre pipe organs and own one; they are also both organists, hence the interest in selling organs. So they sell the organs and are installing their own pipe organ in the same building.

To take advantage of the theatre, Hansen and Stark have planned a concert series. Richard Ellsasser, world-renowned concert organists has just finished three organ workshops in November. Hansen will present his offering December 12; Stark will be heard in a similar production January 9. Other artists in the series will be Ellsasser, February 13, Lyn Larsen, March 13, Bill Coffman and Bill Field, April 10, Ellsasser, May 8 and Mildred Alexander in June for both concert and her famous organ workshops.

Hansen's concert on December 12 will be unique, in that a half-hour of classical organ music will be followed by an old-fashioned sing-along (complete with bouncing ball) and then pop music — but perhaps the block-buster of the entire evening will be the screening of the old silent Laurel and Hardy flick, "Big Business." It's the usual Laurel and Hardy slapstick done in the best of taste and has a Christmas theme.

Silents Are Funny

"I'm looking forward to playing the accompaniment to this film," Hansen said. "I've seen people like Gaylord Carter do it to a full house. These old silent films are funny. And you've got to remember that, unlike today with the talkies, the actors back in the twenties had to communicate with the audience only with facial expressions and movements. These guys were commedians, athletes, you name it — when they're funny, they're funny — and people laugh.

"Tom Stark, my partner and I are sort of nuts about old movies, old theatres and old organs. That's why we decided to locate our retail store in this type of building — a theatre. It may sound goofy, but it works out very well. What we're striving for is a return to wholesome, family-type entertainment. For instance, Tom's show in January will be a vaudeville type affair with various acts, his theatre organ concert, a silent movie and the sing-along.

"Eventualy, we're going to redecorate the entire auditorium into a gay-nineties-like atmosphere. The organ console — it's a 4-manual (keyboards) 32-rank Wurlitzer and it came out of the Capitol theatre in Detroit — will be on a lift, just like it was back in the twenties. When the organist starts playing, the elevator raises the console up high in full view of the audies, and a spotlight catches the full action of this — it's really exciting and we want people to see it like it was back in the good old days when entertainment and a night out on the town and in the theatre was fun," Hansen said.

Hansen, hailed as one of the brilliant young organists in Southern California, served until recently as director of music at San Diego's Grace Lutheran Church. Upon entering San Diego State in 1963, Hansen was awarded a music department scholarship. In 1964 he won the AGO scholarship. In 1965 he won first place in the Music Merit Competition. In 1966 at the persuasion of the late Herbert Berger, then the Director of USIU's School of Performing Arts, Hansen completed his degree there in 1968. He was organist for the San Diego State College Chorus in it's annual Christmas presentations of Handel's "Messiah" and also "Elijah" by Mendelssohn. One of the "Messiah" performances prompted Union-Tribune Woman's writer Jeanette Branin to comment: "James Hansen, the organist, emerged as the star of the performance, giving heroic accompaniment to the group, and producing dramatic tributes to Heaven that should have started the very stars a-shimmering."

He is a member of the San Diego Chapter of the American Guild of Organists, and the San Diego Professional Organists' and Pianists' Club. He has been the organist for the famed Bluejacket Choir at the Naval Training Center for the past three years.

but Netzley noted that the students would enroll in Vista La Mesa School, which has space for them, which would cause no problem of overcrowding.

The board was also informed that tentative maps have been filed for a 61-unit complex which will be constructed in the district soon. This complex could cause a problem of overcrowding, if many families with students rent apartments there.

Local Man Published In Journal

J. Donald Forbes, chief internal auditor for Ryan Aeronautical Company, San Diego, is the author of an article to be published in the January/February issue of the **Internal Auditor,** technical journal of The Institute of Internal Auditors.

His article "Management by Control" states that management by control is not the result of applying abstract theories and principles. Rather, he says, it is a living, dynamic condition, resulting from a variety of decisions.
